

Maywood
Library
Foundation

The Maywood Library Foundation was established for the purpose of raising funds and obtaining materials that will be used to support the Maywood Public Library District.

The concerned citizens who organized the Maywood Library Foundation understood that a good library needs more than public funding. To that end individuals, businesses and corporations are encouraged to contribute to the Foundation which is a 501(c)(3) non-profit charitable organization.

As we endeavor to create a better library, to promote literacy and to further meet the educational and informational needs of a diverse community, the Maywood Library Foundation especially encourages and appreciates the support that area businesses and individuals provide.

Your gift is important!

Your gift fills empty shelves!

Your gift expands programs for children and adults!

Your gift enhances library services!

Invest in our library and our community!

Donate now!

Yes, I want to support the Maywood Public Library District with
a donation to the Maywood Library Foundation.
